

PROFILE
Mr. RISHABH MEHTA

Mr. Rishabh Mehta is a second-generation entrepreneur and Director of the **BCM Group**, a diversified business group with a legacy of over six decades and presence across **Real Estate, Hospitality, Education, Healthcare and Manufacturing**.

He holds a **BBA in Finance & Accounting** from **Christ University, Bengaluru**, followed by a **Master's in Real Estate Management** from the **University of Westminster, UK**, and has also completed the **MFAB programme** from the **Indian School of Business (ISB)**.

Mr. Mehta has been associated with the family business for approximately **10 years** and has been actively involved in the Group's operations since completion of his studies. His responsibilities encompass **business strategy, commercial finalisation of contracts and agreements, property acquisition and development, project execution and onsite monitoring**.

He currently serves as a Director in several key BCM Group companies, including **BCM Infrastructure Private Limited, Apple Realmart Private Limited, Panache Realbuild Private Limited, BCM Hospitals Private Limited, Lifefirst Pharma Private Limited and Sunlife Hospitalities LLP**. In this capacity, he is actively involved in the **acquisition and development of properties across various states of India**.

Mr. Mehta has experience spanning both the **strategic and operational dimensions of business management**, with exposure to the Group's principal sectors of **Real Estate, Hospitality, Education and Healthcare**. His core areas of competency include **business development, operational excellence, project management, technology, sourcing, quality management and regulatory matters**.

His professional role is aligned with the BCM Group's broader growth strategy of developing and operating quality assets across multiple sectors. The Group's portfolio includes significant real estate developments, hospitality assets, educational institutions and multi-speciality healthcare projects across Central and other parts of India.
